Celebrating 60 years of service

In April 1957, a vicious tornado swept through west Dallas causing \$4 million in damage — \$35 million in today's dollars. Ten lives were lost. People didn't know where to turn to give help or to get help. A group of concerned Irving citizens coordinated donations to those affected by the tornado. That volunteer effort to provide emergency assistance to households in need ultimately led to what is now Irving Cares. The founding volunteers wanted to create a central information center, and they wanted to eliminate hunger.

60 years later in 2017, we are meeting those goals. One family at a time, Irving Cares provides focused assistance for Irving residents to address a financial crisis.

Irving Cares hosted a Thank You reception and open house on May 2 to kick off our 60th year of service. Donors, volunteers, and community partners were invited to stop by for light refreshments and a tour of the facility. Teddie Story, Irving Cares' CEO, addressed the crowd of over 200 attendees with sincere thanks for their support and commitment in helping the agency reach this milestone, "Thank you for trusting us and investing in Irving Cares. The love we show for our neighbors will not be forgotten. Thank you for helping others." Many thanks to the following Irving businesses for their support of the Thank You reception: Brown-Forman, Chick-fil-A Las Colinas, Daisy Cakes, Kroger, i Fratelli Pizza, and Sourced Craft Cocktails!

To kick off the next 60 years of service, a challenge to raise \$60,000 by May 9 was announced at the reception! Nearly half of the funds had already been raised through Irving neighborhood cocktail parties and over \$6,000 was collected at the May 2nd reception. With matching funds and the enthusiastic support of the community, Irving Cares has been blessed with over \$120,470 for on-going support of our mission to help Irving residents in need!

Thank you to all who have given their time, talent, and treasure to help Irving households in crisis return to self-sufficiency. Irving Cares remains committed to the excellent stewardship of your investments and to offering the highest quality services to our clients. ❤️

Here's to the next 60 years!

Volunteers

MAKE IT POSSIBLE!

Our core team of dedicated volunteers makes the work we do at Irving Cares possible, whether working at the Intake Window, Data Entry, Case Management, Employment Services, Food Pickup or the Food Pantry. To honor this group, we held our annual Volunteer Appreciation Dinner on April 27 at Big State Fountain and Grill. Volunteers and guests enjoyed

hamburgers, hotdogs and a few shakes and malts were consumed. We are not Irving Cares if not for our Volunteers! Thanks for all your hard work and enthusiasm for helping others. We were thrilled to report that in 2016–17 we had a very strong year of volunteerism, with roughly 1,490 volunteers donating more than 21,842 hours of service.

SUMMER SQUEEZE

Winners to be announced soon!

The 3rd annual competitive food drive known as Summer Squeeze is over and the results are being tabulated! Each year from March 1 to April 30, Irving Cares tracks donations of cash and cans in a friendly competition to restock the food pantry for the summer.

With children out of school and eating at home, summer is the busiest season in the Irving Cares Food Pantry for low-income parents who are barely making ends meet. Summer Squeeze helps Irving Cares prepare for the spike in food pantry orders in June, July, and August.

Summer Squeeze winners will be announced by the end of May. Many thanks to all who donated! ♥

Scouting for Food

Saturday, February 11. The Boy Scouts of Circle 10 got up early to collect donated canned goods that many residents had set out on their front porches.

The Annual **Scouting for Food Food Drive** was a big success for Irving Cares. The Boy Scouts collected and donated over two tons — 2,623 pounds to be exact — of canned items to help refill the shelves of the Irving Cares food pantry.

Thank you Pack 771, Troop 281, Troop 508, Troop 769, Pack 101, Pack 160, Pack 175 and Troop 267! Irving Cares also thanks the great volunteers from Ambucks who gave up their Saturday morning to help collect, weigh, sort and put up the canned goods. The dedication that this group has shown to this event is remarkable. Tom Moore would be so proud!

Thanks Michael Garcia and the Circle 10 Boy Scouts for doing so much to help Irving and the people who live here. ♥

Our Mission: To provide focused assistance for Irving residents in a financial crisis

We need helpers in the food pantry or warehouse: drivers for food donation and retail food pick ups, and volunteers for case management and intake. On-the-job training.
